

# Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

1

Install Libby for Android, iOS, or Fire tablets from [overdrive.com/apps/libby](https://overdrive.com/apps/libby). Or, visit [libbyapp.com](https://libbyapp.com) in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your library and sign in with a valid library card:

- Click on **Add Library**
- Enter in the DPPL zip code: **77536**
- This will pull up '**Houston Area Digital Media Catalog**' as the first result
- Select '**Sign In With My Card**', then select '**Deer Park Public Library**'
- Enter in your **DPPL card number** (This can be found on the back of your card and is 14 digits long- no spaces)
- Enter in your **DPPL account PIN**. Call the library if you need assistance with your PIN.

3

Browse your library's collection and borrow a title.

4

Borrowed titles appear on your **Shelf** () and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

On your **Shelf**, tap **loans** at the top of the screen. From there, you can:

- Tap **Read With...** to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.
- Tap **Manage Loan** to see options like Renew Loan and Return Early.
