Getting started with Libby extras

Use Libby to get free access to extra learning and entertainment resources through your library.

1 Install Libby for Android, iOS, or Fire tablets from overdrive.com/apps/libby. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

2 In Libby, follow the prompts to find your library and sign in with a valid library card. Step-by-step instructions for the Deer Park Public Library may be found on the other side of this handout under Step 2.

3 From the library home screen, scroll down and tap the Extras header to see a list of providers.

4 Select a provider, then tap Open. You'll be taken out of Libby to learn more about the provider. Follow the prompts to get free access to their service.
