Keto-Friendly FAT BOMBS at UBC

If you have not tried the Keto Cookie Dough Fat bombs at Ultimate Baking Company in Deer Park, you're seriously missing out! Keto Fat Bombs are also available in Chocolate Chip and M&M flavors, (and yes, they are Keto friendly M&M's, created by the folks at Atkins). Located at 910 W. Pasadena Blvd (across the street from the carwash and just south of Deer Park High School's south campus), the bakery is owned by area native Danya Becker, whose husband is former Deer Park police officer Forrest Becker. Danya has also recently added custom cakes, brownies, cookie cakes (you can personalize the flavor and message), and delicious cupcakes in a variety of flavors. She also has seriously-good cinnamon rolls made from a family recipe – but you have to call ahead to place your order. So, whether you're stopping by for one or dozens, UBC has the perfect snack, gift or party centerpiece. Call Danya today at (832) 429-3913 or visit them on Facebook.

Red Bluff's Construction

Red Bluff Animal Hospital has been providing veterinary services to pets in our area for many years. The addition of the Red Bluff Pet Resort in 2011 (at 5009 Red Bluff Road) brought much needed services to the area such as luxury boarding, grooming, training, day care and group play. So now, they are very excited to be expanding both their veterinary and pet care services. The expansion of Red Bluff Pet Resort will bring with it 20 additional luxury boarding suites, 63 standard kennels, and 18 kitty condos. They are also adding a new grooming area, group play yards and equipment, a covered pavilion, and a splash pad. In addition, Red Bluff Animal Hospital is being rebuilt across the street on the south side of the resort (moving it officially from Pasadena to Deer Park), and this new facility will be completely state-of-the-art. Look for these projects to be completed by the end of 2019. Keep up with their progress on Facebook or visit www.redbluffanimals.com.
