

Established in 1974, National Volunteer Week has grown exponentially in scope each year since, drawing the support and endorsement of all subsequent U.S. presidents, governors, mayors and other respected elected officials.

National Volunteer Week is about inspiring, recognizing and encouraging people to seek out imaginative ways to engage in their communities. It's about demonstrating to the nation that by working together, in unison, we have the fortitude to meet our challenges and accomplish our goals. National Volunteer Week is about taking action, encouraging individuals and their respective communities to be at the center of social change—discovering and actively demonstrating their collective power to foster positive transformation.

National Volunteer Week is not only our moment in time to celebrate our volunteers, but to enable a nation to share ideas, practices, and stories, wherever they happen, and shaping a movement to re-imagine the notion of citizenship for the 21st century.

Why Volunteer With Deer Park Police Department? Simple - We Need You!

Since September 11, 2001, the demands on state and local law enforcement have increased dramatically. As a result, the already limited resources of these agencies are being stretched further than ever, at a time when the country needs every available officer out on the beat.

In many jurisdictions around the country, volunteers in the community have offered their time and skills services to law enforcement agencies. These citizen volunteers help supplement and support officers and civilian personnel by allowing them to concentrate on their primary duties. Volunteer roles may include performing clerical tasks, serving as an extra set of "eyes and ears," assisting with warrant calling, follow up phone calls to victims of crime, assisting with traffic direction at events, and writing citations for handicap-accessible parking violations.
