ARCHITECTURAL SERVICES FOR PLANNING & DESIGN OF FIRE DEPARTMENT FACILITIES

GENERAL INFORMATION

I. Introduction

The City of Deer Park (City) requires Architectural Services for the development of multiple fire department facilities, including two fire stations and a training classroom. This procurement is made per the Texas Professional Services Procurement Act.

II. Background

The Fire Department currently operates out of three fire stations, one EMS station, and has a training facility. Stations 1 and 2 were originally constructed in (approximately) 1955 and 1966, respectively. On May 1, 2021, Deer Park's voters approved a General Obligation Bond Proposition for fire department facilities to include a new Fire Station 1, a new Fire Station 2, and a training classroom. The training classroom could be co-located with one of the new fire stations, or could be located at the Fire Department Training Facility. Renovations to existing facilities could also be included if funds remain after the specifically cited three items. The architect selected will play a crucial role in helping to assess facilities and develop plans for these new facilities, which will need to serve the community for multiple decades.

III. Objectives

The City envisions all of the architectural needs for these projects would be handled by a single vendor, selected through this RFQ process; however, the City Council will ultimately determine the services to which any selected architect is contracted and retains the right to choose multiple architects.

The selected architectural firm will initially be charged with:

- Identify facility space and functionality needs in keeping with industry standards, State of Texas and other legal requirements and the unique needs of Deer Park;
- Determine the facility size based on population projections and staffing needs to accommodate for current and future needs.
- Determine the best options for station and training room locations and provide preliminary conceptual plans and cost estimates.

IV. Scope of Services

The selected firm(s) shall have experience in the programming, design and construction administration of facilities of similar size and composition as the projects listed above. It is expected that the qualified firm(s) will have a sufficient level of innovation and design expertise. The committee will pay particular attention to the proposed design team and their recent experience working together as a cohesive group on projects of similar size and scope in the Houston area. It is expected the qualified firm(s) should have sufficient experienced staff and a workload free from constraints to produce services in a timely manner.

The following services will be required:

- Programming to determine current and future needs for space, storage, staff functionality, etc.
- Firm shall provide renderings, elevations, conceptual site and floor plan(s) of the proposed building identifying its location on the site including parking areas and vehicle accessibility.
- Provide a description and spatial relationships of all major services areas that include detailed square footage requirements, the functions that take place within each area, as well as the equipment, furniture, and storage needs and capacity to be served in each area.

- Provide a preliminary conceptual design that should address, but not be limited to: acoustics, equipment, technology, environmental controls, security, lighting, furnishings, seating, access to and from the site and compliance with local, state, and federal regulations.
- The firm shall provide a preliminary cost estimate at 30%, 60%, and 90% complete design and a line item detailed construction cost estimate at 100%.
- The selected firm shall provide final design plans, contract manual (inclusive of specifications) and shall include, but not limited to, civil, electrical, mechanical, plumbing, security, furniture, audio and visual equipment, and all other incidentals and appurtenances required for a fully functioning facility.
- Attend and conduct the preconstruction meeting, review and approve all submittals, respond to Request For Information's (RFI's), review and approve change orders, conduct progress meetings and maintain minutes, review and approve pay estimates, issue field directives, develop and maintain punch list, issue letter of Substantial Completion, attend a final walkthrough inspection and issue construction closeout documents, conduct one year warranty walkthrough with the owner and contractor;
- Provide job site field observation services as required by the City.
- Provide as-built record drawings (in a format acceptable to the city) upon project(s) completion.

V. Restrictions on Lobbying Activity

Respondents are prohibited from directly or indirectly communicating with City Council Members or Fire Control Prevention and Emergency Medical Services District (FCPEMSD) Board Members regarding the firm's qualifications or any other matter related to the eventual award of a contract for the services requested under this Request for Qualifications. Applicants are prohibited from contacting City staff members regarding their qualifications or the award of a contract, unless in response to an inquiry from a staff member. Any violation will result in immediate disqualification from the selection process.

Upon issuance of the Request for Qualifications, all communications and requests for clarification or objections shall be directed in writing to the Director of Emergency Services for response, determination and dissemination to all firms. Any communication by firms or their representatives toward other city officers or employees regarding this Request for Qualifications or the award of a contract are prohibited and will constitute grounds for disqualification of a proponent. A lobbyist or a proponent or any of their agents may not do any act or refrain from any act for the express purpose and intent of placing any City official under personal obligation to the lobbyist or proponent.

VI. Proposal Submission and Organization

The Proposer must submit one (1) original, four (4) hardcopies, and one (1) electronic copy of the proposal. **Sealed proposals should be addressed to the City Secretary's Office, City of Deer Park, 710 E San Augustine St., Deer Park, Texas 77536, and will be received until 2:00 p.m. on June 24, 2021.** Proposals must be properly signed with a manual signature of an authorized agent of the firm. All proposals must be packaged in a sealed envelope or package and be clearly marked on the outside with the proposer's name and address and the following written information:

**City of Deer Park RFQ No. 21-001
DEER PARK FIRE STATIONS AND FACILITIES
Deadline: 2:00pm on June 24, 2021**

Proposers mailing their proposals must allow sufficient time for delivery of their proposal by the time and date specified. Late proposals will not be accepted.

Public Information Notification

The City considers all materials, information, communications and correspondence in any form from the respondents to this RFQ to be non-proprietary and non-confidential and, therefore, subject to public disclosure under the Texas Public Information Act (Texas Government Code 552.00-1 et seq.) after a contract is awarded. Respondents are informed that the City will abide by all statutes, court rulings and opinions of the Texas Attorney General concerning disclosure of RFQ information. Should any part or section be considered by the Respondents to be “proprietary” or “confidential” in nature, each page or section should be designated as “proprietary” or “confidential.” Respondents should be prepared to fully justify these exclusions to the State Attorney General’s Office should it be required.

PROPOSAL SELECTION AND AWARD PROCESS

I. Proposal Scoring and Selection

The purpose of the proposal is to demonstrate the firm's qualifications, competence, capability, and capacity to meet the City's requirements. An evaluation committee will review the proposals submitted and rank each based on the evaluation criteria specified below. The City may require additional information after the review of the initial information received. Interviews may be conducted individually with firms who submit responsive proposals and who are determined reasonably qualified for award of the contract. The City of Deer Park reserves the right to reject any and all submittals and does not guarantee a contract will be awarded. All costs associated with the preparation of the proposals, site visits, presentations, and any other costs are the responsibility of the submitting firms. Responding to this RFQ constitutes understanding and agreement to methods of evaluation and selection.

II. Evaluation Criteria

Evaluation of the proposals received may consider but shall not be limited to the following review criteria:

- Relevant Consultant Experience – 30%

III. Right to Reject Proposals and Negotiate Contract Terms

The City of Deer Park reserves the right to reject any and all proposals. The City of Deer Park reserves the right to negotiate the terms of the contract, including the reimbursement rates, with the selected proposer prior to entering into a contract. If contract negotiations cannot be concluded successfully with the highest scoring Proposer, City of Deer Park may negotiate a contract with the next highest scoring Proposer and so on until an agreement is reached.

IV. Insurance

The Firm will maintain professional liability insurance during the term of this agreement in an amount of not less than \$250,000 per person or claim and \$500,000 per occurrence or annual aggregate and, if the policy is on a claims made basis, for a period of not less than five (5) Years after the Project is complete, and provide proof of such continuing coverage. Firm further agrees to provide proof of coverage as needed for prior acts back to the date of execution of this agreement if Firm changes insurance carriers during this extended indemnity period.

Firm will further maintain general commercial liability coverage with minimum combined single limit of \$1,000,000 for property damage and damages resulting from bodily injury or death.

With respect to the above required liability insurances, the City will:

1. Be named as additional insured for general liability insurance.
2. Be provided with a waiver of subrogation, in favor of City.
3. Be provided with 30 days advance written notice of cancellation, nonrenewal, or reduction in coverage.
4. Prior to execution of the Agreement, be provided with either their original Certificate of Insurance or insurance policy evidencing the required limits and requirements, subject to approval by the City Attorney's Office.
